Every day across North America, over ONE MILLION servings of Gehl's sauces pour over snack foods like nachos, hot dogs, pretzels and french fries. Made from the highest quality ingredients — like real cheddar cheese and zesty Mexican spices — Gehl's on the menu means money in your drawer. And now with Gehl's LITE cheese sauce, you can offer customers half the calories and just 2g of fat per serving...ideal for baked nachos, potatoes or steamed vegetables.

The numbers don't lie; people love the taste of Gehl's sauces because each serving comes out piping hot and full of rich, creamy flavor. But for you, the convenience of our system.

SAVE SPACE. MAKE MORE MONEY.

With every store comes a unique set of needs. So we help customize a hot snack program into your operation with a choice of sauces, dispenser colors and promotional graphics. While you enjoy proven, reliable performance with the smallest footprint of any dispenser in the market, your customers will savor the taste of rich cheese and chili sauces.

EVERYTHING ABOUT IT IS SMOOTH. Backed by a 3-year warranty and the support of a company with more than 110 years of dairy expertise, Gehl's dispensers are made in our Wisconsin headquarters. So you get the equipment, advice and assistance you need direct from the source.
